

Blink 182, Time

When the clock strikes two
There's so much to do
and I can't explain what I need

Jobs and social group
Hearing the latest news
keeping your reputation clean

And I don't wanna worry
about being on time
I see the way you hurry
and time runs your life again

The difference between east and west
money means so much less
and objects aren't so important to buy

I wish that earth clock
could often just be stopped
and then we look into the time

And I Don't wanna worry
about being on time
I see the way you hurry
and time runs your life again
