Blink-182, You Fucked Up My Life

I'm sick of always hearing
All the sad songs on the radio
All day it is there to remind
An oversensitive guy
That he's lost and alone
Yeah

I hate our favourite restaurant Our favourite movie Our favourite show We would stay up all through the night We would laugh and get high And never answer the phone

I can't forgive Can't forget Can't give in What went wrong? 'Cause you said this was right You f**ked up my life

I'm sick of always hearing Sappy love songs on the radio This place, it's f**king cursed In it's plague

And I can never escape When my heart, it explodes

I can't forgive Can't forget Can't give in What went wrong? 'Cause you said this was right You f**ked up my life

I'm kicking out fiercely
At the world around me
What went wrong?
I'm kicking out fiercely
At the world around me
What went wrong?
I'm kicking out fiercely
At the world around me
What went wrong?
I'm kicking out fiercely
At the world around me
What went wrong?
I'm kicking out fiercely
I'm kicking
