

# Bliss 66, Trip

I see you start to trip to the 13th floor  
it's runnin through your veins  
but you still want more  
lookin' for the wings that can make you fly  
you wanna hold the world  
and kiss the sky  
well hey hey hey..  
well hey hey

everyody jump inside  
everybody touch the sky  
somebody's gone insane  
everybody's dancin' in the rain

You've got bloodshot eyes  
and a heavy heart  
long sleeves covering  
your needle marks  
broken dreams  
and an empty hope  
how does it feel when you start to choke?  
well hey hey hey  
well hey hey

everybody jump inside  
everybody touch the sky  
somebody's gone insane  
everybody's dancin' in the rain

well hey hey hey  
well hey hey  
well hey hey hey

now you wish that you'd never came  
cuz now you know you'll never be the same  
now you wish that you'd never came  
cuz now you're never gonna be the same

everybody jump inside  
everybody touch the sky  
somebody's gone insane  
everybody's dancin' in the  
everbody jump inside  
everybody touch the sky  
somebody's gone insane  
everybody's dancin' in the rain  
the rain  
the rain  
the rain
