

Blitzkrieg, Eyes Of The Storm

You laugh at me, because I'm different
I peeve you, you're all the same

Can we see, what we should be
If we try, we could make a difference
It's not too late to show, that you care

(Chorus)
If I could, I would heal all your sorrows
No more tears, you're as free as a bird
Live in hope, you can change on tomorrow
And see, by the eyes of the world

I try to save, the lives of millions
When nature, has lost control

Ain't no fear

The thunders roar, is drown by silence
We search for truth, to ease the pain

The world will cry, as children die
Unite the world, so we can give them
The dignity to face, another day

(Chorus)

(Solo)

(Chorus) x3
