I'm booty babe
I'm a realy live write
I can play the scene
I'm made
it's my desire
I know my desting
DO you know yours
If this is how it is
Try a little more
Hey.....Try a little harder babe
Hey,hey...If you think you're good for me
Hey.....Give a little more your time
hey,hey...If you think we're meant to be
Hey.....Play a little extra cool
hey,hey...If you wanna stay with me
hey.....Show me what I mean to you
Hey,hey...DO we share our destiny
Jack it up
A notch or two
Or I'm on my way
Turn me on to
Wad y' do
All I can say, is
I know my reality
Do you know yours
If this is how it is
Try a little more
