

Blog 27, Whoever whatever

Didn't know about your past
But still got an opinion 'bout you
So now I'm takin' it back
Would never think it would be you
Hell ye, I'm so amazed
I feel just what u did
I'm a part of you
Do u get it now?!

You are so sensitive
for ma needs
If not then
I don't need u
Whoever, whatever
just beacause of you
right now
and I see you
like you're falling apart
the song's gonna' rewind
Ur irritating me
So cynical u are
Ur courtesy is making me
laugh so hard
Ur innoceance
so fake is
Oh sorry, I'm gonna ruin
your reputation
And don't forget to put on
your fake smile
Ur pose is
getting old

Whoever, whatever
just beacause of you
right now
and I see you
like you're falling apart
the song's gonna' rewind

Whoever, whatever
just beacause of you
right now
and I see you
like you're falling apart
the song's gonna' rewind
