

Blonde Redhead, Swing Pool

Come Come, turn around
shake shake your love .
Only you can be so cool
Only you can be so real
Do you feel so real
Do you know when to start
Why should I be so sad
I wanna touch you now

Not so fast
Don't cry so much
(??Put your arms in my words.....??) listen

Ahhhhh you're here
I wanna know your song
Need your eyes, your eyes are here (?)
Touch me with your smile
Touch me with your heart(?)
Why should I be so bad(?)
I wanna touch you now (?)

Not so fast
Don't cry so much
(??Put your arms in my words.....??) listen

Come Come, turn around
shake shake your love
Only you can be so cruel
Only you can be so real
Do you feel so real
Do you know when to start
Why should I be so sad ?
I wanna touch you now

Not so fast
Don't cry so much
(??Put your arms in my words.....??) listen
