

Blondie, Louie Louie

Louie Louie
Oh no, so here I go
Louie, Louie
Oh baby, here I go
And my little boy is waiting for me
That's the boy, across the way
When he's waiting, he's all alone
When I see him I'm gonna take him home
Louie Louie
Oh no, so here I go
Louie, Louie
Oh baby, here I go now
And my little boy is waiting for me
That's the boy, across the way
When he's waiting, he's all alone
When I see him I'm gonna take him home
Louie Louie
Oh no, so here I go

Louie, Louie
Oh baby, here I go
Oh here I go
Uh-ah
Uh-ah
Well you know Louie Louie is a very traditional song
Ahhh.
Louie Louie, f**k
Louie Louie one more time
Yeah, Louie Louie again
Louie Louie
Oh no, so here I go
Louie, Louie
Oh baby, here I go
Oh here I go
Here I go
(repeat)
