

# Blood Stain Child, Legend Of Dark

To the isle of deadly shore  
Shightless Countless Ageless  
Torture to see a darkness kingdom  
Storm and thunder and flame

Cursed concerto, immortal minuet  
Faith and mercy gone astray  
Rising death, rising blood  
Kill with death scythe

To the land of last sun  
Shightless Countless Ageless  
Torture to rule holy kingdom  
Call of fury and hate

I am God, I am king of the land  
Charging steed through lands unkind  
Legend forever
