

# Bloodbound, Book Of The Dead

No sound on the burial ground  
There's a stone with your name on the side  
It's done the awake has begun  
You can run but there's nowhere to hide

Satan, keeper of souls  
Calling from your grave

Take my hand and I'll guide you to hell  
Show you evil you're under my spell  
Make your choice between heaven and hell  
That's what the devil said in the book of the dead  
In the book of the dead

Deep down there's a beast with a crown  
And he'll rise if the right words are read  
You'll pray at the end of the day  
Take my life cause I'm better of dead

Satan, keeper of souls  
Calling from your grave

Take my hand and I'll guide you to hell  
Show you evil you're under my spell  
Make your choice between heaven and hell  
That's what the devil said in the book of the dead  
In the book of the dead

Deep down there's a beast with a crown  
And he'll rise if the right words are read  
It's done the awake has begun  
You can run but there's nowhere to hide
