Blowsight, Toxic

Now baby can't you see?

I'm calling~ a lady like you should wear a warning

It's dangerous I'm fallin'~ yeah yeah

And there's no escape

I can't wait

I need a hit

Baby give me it

You're dangerous

I'm lovin' it

Too high can't come down

Losing my head

Spinning round and round

Do you feel me now~

And with a taste of your lips

I'm on a ride

You're toxic I'm slipping under

With a taste of a poison paradise

Im addicted to you baby

With a taste of your lips

Im on a ride

You're toxic I'm slipping under

With a taste of a poison paradise

Im addicted to you

Dont you know that youre toxic

I'm addicted to you~ yeah

And I love what you do~

Its getting late

To give you up

I took a sip

From a devil's cup

Slowly its taking over me~ yeah

Too high

Cant come down

Its in the air

And its all around

Can you feel me now

With a taste of your lips

Im on a ride

You're toxic I'm slipping under

With a taste of a poison paradise

Im addicted to you

With a taste of your lips

I'm on a ride

You're toxic I'm slipping under

With a taste of a poison paradise

I'm addicted to you

Don't you know that you're toxic~

Too high

Cant come down

Its in the air

And its all around

Do you feel me now

With with a taste of your lips

I'm on a ride

You're toxic I'm slipping under

With a taste of a poison paradise

I'm addicted to you baby

With a taste of your lips

I'm on a ride

You're toxic I'm slipping under

With a taste of a poison paradise

I'm addicted to you

Don't you know that you're toxic
