

# Blu Cantrell, Breathe (Jellojess Rox)

you say you love me  
say you love me  
but you're never there for me, yea mm hmmm  
but you'll be crying  
slowly dying when i decide to leave uh ohhh

all we do is make up  
then break up  
why don't we wake up  
and see  
when love hurts  
it won't work  
baby we need some time alone  
we need to let it breathe

breathe  
breathe  
breathe  
breathe

you're only lonely  
when your homie  
ain't got a ride or no loot (yea) uh huh  
then comes the drama  
some other girl is claiming she's  
going out with you

all we do is make up  
and then break up  
why don't we wake up  
and see  
when love hurts  
it won't work  
maybe we need some time alone  
we need to let it breathe

breathe  
breathe  
breathe  
breathe  
breathe  
breathe

summer, spring, winter and fall  
i realize  
love don't love me anymore  
i'm still walkin out that door  
waiting for a cure  
i wish you could've loved me more and  
give me what i'm lookin for  
you used to be the one i adored  
but now it seems i'm just not sure

baby we need some time alone  
so we could just breathe  
let it breathe  
breathe  
breathe  
breathe  
ohhh ohh ohhh  
breathe  
breathe  
breathe
