Blue, Ain't Got You

I say Blue- you say what Blue - what - Blue - what

I say Blue- you say what Blue - what - Blue - what

If you think I got it all By the way that I'm living Fast money on a roll, Then I think you be mistaken If you think I have enough Got more that I'm needing. It's not like that at all. You don't have to believe me.

If I'm not what you're looking for Please tell me and I will go I'm not gonna waste your time Please tell me if you wanna be mine

Got a shelf full of books - so? Got a room full of clothes - so? Got a house that I stay - so? I ain't got you.

Got a box full of shoes - so? Got a brand new phone - so? Got the studio booked - so? I ain't got you

Now you know what I'm about And the streets that I come from Unreasonable doubt. Don't tell me that you have none.

On top of the world. Like nothing's missing. Never thought I needed a girl. But then I found myself wishing.

If I'm not what you're looking for Please tell me and I will go I'm not gonna waste your time Please tell me if you wanna be mine

Got a shelf full of books - so? Got a room full of clothes - so? Got a house that I stay - so? I ain't got you.

Got a box full of shoes - so? Got a brand new phone - so? Got the studio booked - so? I ain't got you

I say Blue- you say what Blue - what - Blue - what

I try every single day too Get by every night I pray too Survive everything I say and do

Got a shelf full of books - so? Got a room full of clothes - so? Got a house that I stay - so? I ain't got you.

Got a box full of shoes - so? Got a brand new phone - so? Got the studio booked - so? I ain't got you

I say Blue- you say what Blue - what - Blue - what
