

Blue, Best In Me 2004

From the moment I met you I just knew you'd be mine
You touched my hand
And I knew that this was gonna be our time
I don't ever wanna lose this feeling
I don't wanna spend a moment apart

Chorus:

'Cos you bring out the best in me, like no-one else can do
That's why I'm by your side, and that's why I love you

Every day that I'm here with you
I know that it feels right
And I've just got to be near you every day and every night
And you know that we belong together
It just had to be you and me

Chorus...

And you know that we belong together, It just had to be you and me

'Cos you bring out the best in me, like no-one else can do
That's why I'm by your side
'Cos you bring out the best in me, like no-one else can do
That's why I'm by your side, and that's why I love you
'Cos you bring out the best in me, like no-one else can do
That's why I'm by your side, and that's why I love you
