

Blue, Love R.I.P.

Love RIP

If you say that you're not serious
walk away and just forget about us

Hey baby

I'm not gonna take it this time

Oh no

If you say that you're no good for me

You see no future in this unity

Hey baby

I'm not gonna take it this time

Oh no (yeah)

I won't say stop because you ask me to

Don't leave our love behind (behind)

Honey won't you tell me (tell me)

Tell me (yeah)

Why you messing with my mind

Chorus:

Cause you don't care nothing 'bout the things I do

Don't care nothing 'bout the pain you've put me through

Show your feelings for me

Cause you don't care nothing 'bout the things I say

Don't care nothing 'bout the way I feel today

But I won't let love RIP

I won't take the way you're hurting me

You've gotta treat me with some dignity

hey baby

I'm not gonna take it this time

Oh no, (oh no, oh no)

Cause I'm much stronger than you think you know

Won't play your game this way (this way)

Honey won't you tell me

Tell me (oh)

Just what you're trying to say

Chorus

(Ahh) Love RIP

If you say that you're not serious (yeah)

Walk away and just forget about us

Hey baby

I'm not gonna take it this time (Don't leave our love behind)

Oh, no

Chorus (2x)
