Blue October, Do You Ever Wonder

You must be broken
By a thousand ways of wasting time
Get to the point
And off a hundred lines a week
No need to change my mind
A cleaner shade of thinking time
But I seem to act more than I act upon most things.

[Chorus]
Do you ever wonder
How hard you hit?
You broke my thunder
Do you ever wonder
How hard you hit?
You broke my thunder

A scar was sewn
A drop of blood was saved for making wine
Still no repent
On how you crumble when I shake
A mental jaw was used
To pry me from this wrecking bond
The sad detail is all the promises I make.

[Repeat Chorus]

I'm cramped and crawling from under the dead I'm sick of living without you in bed I've made mistakes that I wrote... That I read... But now I just can't seem to be preoccupied The heart was tossed with a black lace chain With these hands that I write with And the ode that I live by... I will never be with you.

[Repeat Chorus]

God made this night for me, a silly devil in my talking Romantic company for walking. Over and out...Over and out... This year is the year I want to be, that silly devil in me talking Romantic company for walking. Over and out...Over and out...

[Repeat Chorus]
