Blue Rodeo, Is It You

Is it you I wonder and still it makes me laugh is it you that I'm looking for don't turn away so fast and while you were talking wide-eyed I fell asleep hoping tomorrow would be as sweet Is it you who whispered into my hazy soul is it you who makes the flowers bloom on the tenement windowsill in a hotel room a TV glows and songs are exchanged drunkenly chasing the ghost of eternity There's a drunk on the sidewalk trying to look unconcerned and the dead eyed motel blondes wait in line for their turn Is it you who laughs when all the other dogs snarl is it you just because you listened for a while and with this buzz of electricity still ringing in my ears I wonder is it you I wonder is it you
