

Blue System, Body To Body

Body to body - anybody baby
Body to body - everybody baby

Come on everybody, let's have a party, baby
Come on everybody to the house of love, oh baby
Come on everybody, body to body, baby
Anybody is in the house of love, tonight

Baby fall in love again
Oh, this time you have to win
Ohoho, I'll never let you go
Baby can't you really see
What your heart will mean to me
Ohoho, I'll never let you go
Oh when the night is over
I'll be by your side
I'll be your lover baby I can't hide

Baby do you slow my heart
Everybody wants to start
Ohoho, I'll never let you go
Baby, when your friends are gone
Call me let me be the one
Ohoho, I'll never let you go
Oh when the night is over
I'll be by your side
I'll be your lover, baby I can't hide
