

Blue System, Don't Tell Me...

Feel your heart - a burning fire
A magic dragon takes me higher
Oh, I lost that crazy feeling
See the devil coming rocking and realing
Magic echoes - circle seasons
See the rainbow without a reason
If you know my reputation
Hold me baby, hold me - rock the nation

Tell me what you dream
My dreams will never die
Tell me what you see

Don't tell me - I love my baby now
Don't tell me - I lose my feelings
Don't tell me - I care for you
Don't tell me - I make up blue
Don't tell me - I love my baby now
Don't tell me - I lose my feelings
Don't tell me - I care for you
Don't tell me - I make up blue

Oh baby take the sea and heaven
Angels singing at eleven
Many hearts will be broken
How many dreams left and spoken
The morning after - play with fire
I had a vision of desire
See a flame - a yellow candle
It's my sign - I have to handle
