

Blue System, Heartache no.9

She was a working girl; no time - no money
A crazy world, cause she's so lonely
She was so upset, was alone oh in her bed
She was crying too much, on her lonely rainbow
There was no touch, only TV shows
She was so alone, had no friend, no fun, no home
Oh it's a heartache no. 9 - ooh this morning
Another lonely day, the sky is falling
Friday, Saturday, Sunday, afternoon
Oh it's a heartache no. 9 - ooh this morning
And no friend, nobody's calling
Friday, Saturday, Sunday, afternoon
Oh, there's no smoke, there's no fire
You cannot stop, a real desire
She was so alone, and her heart was like a stone
Oh jealousy is such a mystery babe
Kill my love, when it's too late girl
She was so alone, had no friends, no fun, no home
