Blue System, I Want To Be Your Brother

Sailor of my heart Sailor of my fun Oh, you need my stuff Oh, we're born to run

Hear my heartbeat - hear my heartbeat

Babe, tonight, oh it's a lovebeat

In these lonely nights - oh, we'll come and go

How do fools survive? When your pain will grow

Hear my heartbeat - hear my heartbeat

Babe, tonight, oh it's a lovebeat

I want to be,be your brother be your brother, girl

I want to be your friend

I want to be, be your brother be your brother, girl

Baby, come take my hand

I want to be,be your brother be your brother, girl

I want to be your friend

I want to be, be your brother be your brother, girl

Baby, come take my hand

Sailor I don't care

If you're right or wrong

I will be there, when you're friends are gone

Hear my heartbeat - hear my heartbeat

Babe, tonight, it's a lovebeat

Sailor of your heart

Oh, it's out of tune

Oh, let us start - just to ??? the moon

Hear my heartbeat - hear my heartbeat

Babe, tonight, oh it's a lovebeat

I want to be, be your brother be your brother, girl

I want to be your friend

I want to be, be your brother be your brother, girl

Baby, come take my hand

I want to be be your brother be your brother, girl

I want to be your friend

Oh, let us stay in toghether girl

Baby, come take my hand
