

# Blue System, Is It Love

You must be joking when you're telling this lies  
You must be fooling - only your alibies  
Why are you so unfair to me ?  
You must be cheating if you play with my heart  
Oh, you are think that you breaking apart  
Why are you so unfair to me ?  
Is it love ? Is it love ?  
I get never enough  
Love me easy - be mine tonight  
Is it love ? Is it love ?  
You're playing so tough  
Love me easy - be mine tonight  
You must be dreaming of that American kind  
You must be thinking oh I have lost my mind  
Why are you so unfair to me ?  
Oh, you were telling it's love at first sight  
Why are you trying make my heart going wild  
Why are you so unfair to me ?  
Is it a dream or is it real ?
