

# Blue System, Sacrifice

..... was a rolling stone  
The lonely highway was his home  
Father told him what he used to be  
"Don't bring scandal on my family." (he said)  
Friends were always right on time  
Oh no, there's o darkness - there's no crime  
Things aren't anymore they used to be  
"Don't bring scandal on my family." (he said)  
"Don't bring scandal on my family."

Oh no, why is love such a sacrifice for you ?  
On my wings of destiny  
Leaving live and in harmony  
Oh no, why is love such a sacrifice for you ?  
On the road of mystery  
You lose your heart and eternity

..... didn't understand  
Oh, he stole money - killed a man  
Destroyed his life - no sense to be  
He brought scandal on my family (oh no)  
Oh, he was not man enough  
He killed himself - thought it's tough  
Before he died he said to me  
"Don't want scandal on my family." (he said)  
"Don't want scandal on my family."
