

# Blue System, Sexy Thing

Oh baby, baby  
I would never lie to you  
I'm changing my direction, baby, like lovers do  
I said : I want to break your heart - want to break your heart  
Oh baby, baby  
Wake me up before you go  
I'm breaking this connection, lady and time will show  
I said : I want lose your heart - I'll lose your eyes  
Ever said : it has to be this way  
No no, I never said : we'll make it one day

I said : ooh ooh ooh I love you  
You're such a sexy thing my lady  
Make my dreams come true  
I said : ooh ooh ooh I love you  
Come on, take my heart, my babe like great lovers do

Oh baby, baby  
You're the line in my world  
I'm feeling your emotion, lady  
Come make my day  
I said : I want to break your heart - want to break your heart  
Oh baby, baby  
You're so good and so bad  
I'm feeling your emotion, lady  
You drive me mad  
I said : I want break your heart - I'll lose your heart  
Ever said : it has to be this way  
I never said never said : we'll make it one day
