

# Blue System, This Old Town

Baby, I will hurt you  
Oh, come let me alone  
Heart is a heart and a home is a home  
Baby, I will find you  
I will get you by phone  
Heart is a heart and a home is a home  
If you fool me sister  
Drive me mad  
Under pressure - maximum sex

This old town ain't big enough  
Baby, for the two of us  
It's the end of an old love odyssee  
This old town ain't big enough  
Baby, for the two of us  
I will see you - I will hold you in L.A.

Baby, I will please you  
But you leave me alone  
Heart is a heart and a home is a home  
Baby, I will hate you in a danger zone  
Heart is a heart and a home is a home  
Oh, you're so good sister  
Drive me mad  
Under pressure - maximum sex
