Blue System, When Bogart Talks To You

Oh, you said that you're faithful
Big dreams they're useful
Now, I cry and I cry
Till the end of the lonely night
Don't say it's okay this goodbye
This goodbye

Oh, it's hard but it's fair
Baby, I don't care
A part of me is dying
Oh, I'm here and there - call me everywhere
Cross my mind - I'm dying
Oh, I love you till the end of time
Oh no, I love you till I die

Don't break the silince, don't
When Bogart talks to you
Don't break the silince of love
When Bogart talks to you
Don't break the silince, don't
When Bogart talks to you
Love me baby, oh kiss me
Baby, don't miss me with devotion

Oh, my heart needs a home
Baby, I know love I know is passion
We're friends - not stone
Baby, without a home love is an obsession
Oh, I love you till the end of time
Oh no, I love you till I die
