Blueface, DeadLocs, Pt. 2

Blue face baby

Yeah ight, on the deadlocs

Ooh...

On the deadlocs

On the deadlocs

On the deadlocs

I had to wake that bitch up she was sleep on me

Yeah ight, look at me now lil baby

On the deadlocs

Fuck a nigga talkin bout?

Tough on the gram, bet you the 223 make him walk it out

On the deadlocs

Keep a live arm for the snakes cause the hate be so real

And the love be so fake

On the deadlocs

Think of a circle pay fullest

What I see never leave your

Mans out everybody eats

On the deadlocs

Bitch I'm riding solo cause in every circle there's always a

Motherfuckin rico on the deadlocs

Blueface baby

Its an unstable feeling my name

Bring out the city like a county building

They say this fame shit change you but all I see is the fame changing the people around you

Blueface the flyest baby you

Better use your time wisely (yeah ight)

This will be yo only chance

Bitch you better surprise me (yeah ight)

Bitch better do some magic

Onna deadlocs

I'm the type to take a bitch mind and help the bitch find it (left yo mid over there)

Onna deadlocs

Give my nut throw a cover over a bitch head poof

Gurl where blueface go I can't find him, bitch I'm in the wind

Blueface verse yo nigga Toyota verse Benz

Onna deadlocs

This an appointment I don't date bitches (period) these bitches only fucken for the experience Onna deadlocs

Jay[?] in the school yard can't nobody you when its time to go up in that backyard Onna deadlocs

These niggas real tough for the gram but a yo sexy's yous a mark This lifestyle requires alot of aggression and alot more heart, yeah ight

Onna deadlocs

Dumb nigga I can't go out like no chip n dip (dumbass)

Fuck a squarebob bitch I'm slidin wit my crips

Onna deadlocs

Niggas talk out they ass for the gram yous a goof troop

I know you heard of me but ion never heard of you

Onna deadlocs

One forty nonse long ass a burrito

She love how I star like I'm finna sing with the Beatles

Onna deadlocs

Damn cuz they really wanted a part two

To the same song

That's like and encore I'm a sensation

I know these bitches love how I start the song like

I'm finna sing with the Temptations
