

Blues Brothers Band, Express way to your heart

I've been trying to get to you,
for a long time
'Coz constantly you've been on my mind.
I was thinking about some action I could take,
but I found I made a mistake
I was wrong,
You took too long
you would love in affection,
Now you won't look in my direction
The express way
To your heart
The express way
That's the best way
At five O'clock
It's much too crowded,
Much too crowded
Too crowded for me
There're two women
In back of me,
and they're all trying,
to get in front of me
I was singing a song
stop bloody starin'
Chorus
