

Blues Brothers Band, Who's making love

All you better
Get around me
And let me give you some good advice
What im gonna, gonna ask you now,
You better think about it twice
And that is:
Who's making love to your own lady,
While you are out making love.
Who's making love to your own lady,
While you are out making love
I know so, so many fellers,
All are in that same ol' way
Seeing another woman,
Who is made to be treaten all the way bad
Well right now, let's clear something
That's how I never ever treaten her.
Chorus
I know there are some women,
Guilty of this too,
I'm not trying to ruin your life,
the choise is up to you
Hey, you. You!
The reason why I ask this question,
I used to be the same away.
Coz darlin', when I straightened up,
She thought it was a bit too late
Oh thats when it all started,
'Caus of the way I treaten her.
Somebody is loving my own lady,
While I was out making love.
Somebody was loving my own lady,
While I was out making love.
Chorus
