

# Blues Traveler, Crash Burn

I'm gonna ride you  
Gonna ride you out like a witch on a broom  
I'm gonna ride you  
Gonna ride you out like a witch on a broom

It's the old give and take  
And I've been took again  
So give me room

I'm gonna watch you  
Gonna watch you fall like a tower of cards  
I'm gonna watch you  
Gonna watch you fall like a tower of cards

Gonna land gonna land gonna land gonna land  
No matter how hard

Crash  
Burn  
When will I learn  
Crash  
Burn  
When will I learn

Crash  
Burn  
When will I learn  
Crash  
Burn  
When will I learn
