

Blues Traveler, I've Been Working On The Railroad

Music & lyrics: John Popper

Someone's in the kitchen with Dinah
Someone's in the kitchen I know
Someone's in the kitchen with Dinah
Strumming on the old banjo
Strumming
Fee fie fiddly-eye oh

Fee fie fiddly-eye oh
Fee fie fiddly-eye oh
Strumming on the old banjo
I said strumming on the old banjo
I said strumming on the old
Strumming on the old
Strumming on the old banjo
I said strumming on the old banjo
