Blur, Brothers & Sisters

Brothers and sisters Rebuild your lives We're all drug takers Give us something tonight

A cartoon in a ketamine Jelly mixed with margarine White doves from the war machine Every body movin Cocaine is for murderers Codeine for the jurors Caffeine been through all of us All the people horny Crackwhores back in town again Eggships sniffing benelyn Burning all the oil again Smoking makes you holy Textin abbreviates the brain Aspirin takes away the pain Rock on, everyone the same That's the way it is

Brothers and sisters Rebuild your lives We're all drug takers Give us something tonight

Rohypnol like a chloroform Sugar from the day you are born Washed out like a dinosaur Really don't believe it Sticky sniffing superglue Sulphates keeps you in the zoo Monkeys turning into you Everybody horny Acid good up on the moors Gimpo stops you getting bored Beta's busy making laws Procaine stops you screaming Librium for anxiety Drinking it our society That's the way it is That's the way it is Even when we're pissed
