

Blur, Country Sad Ballad Man

Yeah I found nowhere
It got to know me
Let me sleep all day
Spent the money
I haven't felt my legs
Since the summer
And I don't call my friends
Forgot the numbers

[Chorus]
VIP 223
Have my chances
They have me
Now stay up nights
Watch TV
I'm a country sad
I'm a ballad man

I'm on a come back roll
Yeah I'm a bizzard
And in my motor home
Sweat on my pillow all night

[repeat chorus]
