

Blur, I Wish

I wish the music would play by itself
Shredded fingers - no ideas

I wish this rainy day could be the last
Could the world end - what a God send

I wish I could stop wishing you were here
But I don't want to - cos I still want you

I wish I didn't feel so flippin mad
Don't wanna scare you - just wanna love you

I wish my life could last a thousand years
Then I'd be clever - and build a heaven

I wish I could bring nick drake back to life
He'd understand - hold my hat band

I wish a constant stream of happy shit
Live forever - in world of leather

I wish the rain would just leave me alone
I can't wear that - stupid rain hat

I wish I was in californ-i-a
Perno perfurme - in the danube

I wish the thing of love meant just one thing
Cinderella - salmonella
