

Blur, Trimm Trabb

I got no style
I'll take my time
All those losers on the piss again
I dose dose away

That's just the way it is
That's just the way it is

I've got trimm trabb
Like the flash boys have
And I can't go back
Let it flow, let it flow
I sleep alone
I sleep alone

That's just the way it is
Just the way it is
Just the way it is
Just the way it is
Just the way it is
That's just the way it is

I got trimm trabb
Like the flash boys have
And I can't go back
Let it flow, let it flow
I sleep alone
I sleep alone
