

Bo Selecta, Crashed The Wedding

I'm so rushed off my feet
Looking for Gordon Street
so much I need to say
I'm sorry that it's on your wedding day

cos she's so right for me
her daddy disagrees
he's always hated me
because I never got J-O-B

cos she's mine

I'm glad I crashed the wedding
it's better than regretting
I could have been a loser kid who ran away and hid
I said I'd do it and I did

true love lasts forever
and now we're back together
he might as well forget her
and walk away
I'm glad I trashed the wedding

the neighbours spread the word
my mum she cried she heard
I'd stole my girl away
from everyone who tried to steal her away

cos she's mine

I'm glad I crashed the wedding
it's better than regretting
I could have been a loser kid who ran away and hid
I'd said I'd do it and I did

it's true we're back together
and now I love her better
he might as well forget her
and walk away

I'M GLAD I CRASHED THE WEDDING!!!!!!!!!!!!!!!!!!!!!!
