

# BoA, Hypnotic Dancefloor

Burn it up, B-B-B-Burn it up on this hypnotic dance floor  
I feel like an atomic bomb about to detonate  
When I hear the beating drum, I just wanna taste  
Don't wanna hear no conversation  
No I don't have the time  
It's not about communication  
That's not what's on my mind  
Tonight I'm gonna dance for my life  
(I wanna) use my body like it's the last time  
(I'm gonna) sweat it 'til I'm gonna overload  
Push a little more and let it all go  
Burn it up on this hypnotic dance floor  
(I wanna) burn it up on this hypnotic dance floor  
(I'm gonna) burn it up on this hypnotic dance floor  
B-B-B-Burn it up on this hypnotic dance floor  
(yeah...hypnotic)  
Feelin' an erotic charge  
Almost like a pain  
You make me let down my guard  
I wanna scream your name  
Don't wanna hear no conversation  
No I don't have the time  
It's not about communication  
That's not what's on my mind  
Tonight I'm gonna dance for my life  
(I wanna) use my body like it's the last time  
(I'm gonna) sweat it 'til I'm gonna overload  
Push a little more and let it all go
