## Bob Dylan, Blue Moon

Blue moon, you saw me standing alone Without a dream in my heart, without a love of my own.

Blue moon, you knew just what I was there for You heard me saying a prayet for someone I really could care for.

And suddenly there appeared before me the only one my arms could ever hold I heard someone whisper, "Please, adore me" And when I looked my moon had turned to gold.

Blue moon, now I'm no longer alone Without a dream in my heart, without a love of my own Without a love of my own.
