Bob Dylan, I Forgot More Than You'll Ever Know

I forgot more than you'll ever know about her.

You think you know the smile on her lips
The thrill and the touch of her fingertips
But I forgot more than you'll ever know about her.

You think you'll find heaven of bliss In each caress, in each tender kiss But I forgot more than you'll ever know about her.

You stole her love from me one day You didn't care, oh, it hurt me But you can never steal away memories of what used to be.

You think she's yours, to have and to hold Someday you'll learn, when her love grows cold But I forgot more than you'll ever know about her.
