

Bob Dylan, Rocks And Gravel

Takes rocks and gravel, baby, make a solid road,
Make a solid road.

Takes rocks and gravel, baby, make a solid road,
Make a solid road.

Takes a good woman mama,
To satisfy my weary soul.

Have you ever been down on that Mobil and K. C. line,
Have you ever been down on that Mobil and K. C. line?

Well I just wanna ask you,
If you seen that gal of mine,
Don't the clouds look lonesome shining across the sea,
Don't the clouds look lonesome shining across the sea,
Don't my gal look good,
When she's comin' after me?
