

# Bob Dylan, Something's Burning, Baby

Something is burning, baby, are you aware ?  
Something is the matter, baby, there's smoke in your hair  
Are you still my friend, baby, show me a sign  
Is the love in your heart for me turning blind ?

You've been avoiding the main streets for a long, long while  
The truth that I'm seeking is in your missing file  
What's your position, baby, what's going on ?  
Why is the light in your eyes nearly gone ?

I know everything about this place, or so it seems  
But am I no longer a part of your plans or your dreams ?  
Well, it is so obvious that something has changed  
What's happening, baby, to make you act so strange ?

Something is burning, baby, here's what I say  
Even the bloodhounds of London couldn't find you today  
I see the shadow of a man, baby, making you blue  
Who is he, baby, and what's he to you ?

We've reached the edge of the road, baby, where the pasture begins  
Where the charity is supposed to cover up a multitude of sins  
But where do you live, baby, and where is the light ?  
Why are your eyes just staring off in the night ?

I can feel it, in the night, in the night, in the night when I think of you  
I can feel it in the light, in the light, in the light and it's got to be true  
You can't live by bread alone, you won't be satisfied  
You can't roll away the stone if your hands are tied.

Got to start someplace, baby, can you explain ?  
Please don't fade away on me, baby, like the midnight train  
Answer me, baby, a casual look will do  
Just what in the world has come over you ?

I can feel it in the wind, in the wind, in the wind and it's upside down  
I can feel it in the dust as I get off the bus on the outskirts of town  
I've had the Mexico City blues since the last hairpin curve  
I don't wanna see you bleed, I know what you need and it ain't what you deserve.

Something is burning, baby, something's in flames  
There's a man going 'round calling names  
Ring down when you're ready, baby, I'm waiting for you  
I'm believe in the impossible, you know that I do.
