Bob Dylan, What Was It You Wanted?

What was it you wanted
Tell me again so I'll know
What's happening in there
What's going on in your show
What was it you wanted
Could you say it again
I'll be back in a minute
You can get it together by then.

What was it you wanted You can tell me I'm back We can start it all over Get it back on the track You got my attention Go ahead speak What was it you wanted. When you were kissing my cheek.

Was there somebody looking When you give me that kiss Someone there in the shadows Someone that I might have missed Is there something you needed Something I don't understand What was it you wanted Do I have it here in my hand.

Whatever you wanted Slipped out of my mind Would you remind me again If you'd be so kind Has the record been breaking Did the needle just skip Is there somebody waitin' Was there a slip of the lip.

What was it you wanted It ain't keepin' score Are you the same person That was here before Is it something important Maybe not What was it you wanted. Tell me again I forgot.

Whatever you wanted
What can it be
Did somebody tell you
That you could get it from me
Is it something that comes natural
Is it easy to say
Why do you want it
Who are you anyway.

Is the scenery changing
Am I getting it wrong
Is the whole thing going backwards
Are they playing our song
Where were you when it started
Do you want it for free
What was it you wanted
Are you talking to me.
