

# Bob Dylan, You're A Big Girl Now

Our conversation was short and sweet  
It nearly swept me off-a my feet  
And I'm back in the rain oh oh  
And you're on dry land  
You made it there somehow  
You're a big girl now.

Bird on the horizon sitting on the fence  
He's singing his song for me at his own expense  
And I'm just like that bird oh oh  
Singing just for you  
I hope that you can hear  
Hear me singing through these tears.

Time is a jet plane it moves so fast  
Oh but what a shame if all we've shared can't last  
I can change I swear oh oh  
See what you can do  
I can make it through  
You can make it too.

Love is so simple to quote a phrase  
You've known it all the time I'm learning it these days  
Oh I know where I can find you oh oh  
In somebody's room  
It's a price I had to pay  
You're a big girl all the way.

A change in the weather is known to be extreme  
But what's the sense of changing horses in midstream ?  
I'm going out of my mind oh oh  
With a pain that stops and starts  
Like a corkscrew to my heart  
Ever since we've been apart.
