

Bob Geldof, Room 19 (Sha La La La Lee)

Sha-la-la-la-la
Sha-la-la-la-lee
Sha-la-la-la-la
I feel free

When I woke up I was freezing
Shaking like a leaf
I was stuck up on a shelf
With the other guys in Room 19

Then the brain here right beside me
Speaking telepathically
Said "Hi, my name is Stalin
Glad to see you here in Room 19"

Yeah Tchaikovsky played the music
While Pasternak wrote poetry
As they sliced our brains to study
Why we ended up in Room 19

Well 'ol Sakharov was outraged
And said "Exactly what you mean?"
And Lenin said "There is no Heaven
So I can't believe in Room 19"

Set me free, free, free, etc.
