

Bob Marley, Don't worry be happy

Here's a little song I wrote
You might want to sing it note for note
Don't worry be happy
Every life we have some trouble
When you worry you make it double
Don't worry be happy
Don't worry be happy now
Don't worry be happy (x4)
Aint got no place to lay your head
Somebody came and took your bed
Don't worry be happy
The landlord say your rent is late
He may have to litigate
Don't worry be happy
(Look at me I'm happy)
Don't worry be happy
(I give you my phone number
when you worry call me I'll make you happy)
Don't worry be happy
Aint got no cash aint got no style
Aint got no gal to make you smile
But dont worry be happy
Cos when you're worried your face will frown
And that will bring everybody down
So don't worry be happy
Don't worry be happy now
Don't worry be happy (x4)
(Don't worry Dont worry don't do it
Be happy
Put a smile on your face
Don't bring evrybody down like this
Don't worry it will soon pass
Whatever it is
Don't worry be happy)
(fade)
(I'm not worried)
