

Bob Marley, Mr Brown

(Who-oo-oo-oo is Mr Brown?)

Mr Brown is a clown who rides through town in a coffin

(Where he be found?)

In the coffin where there is

Three crows on top and two is laughing

Oh, what a confusion! Ooh, yeah, yeah!

What a botheration! Ooh, now, now!

Who is Mr Brown? I wanna know now!

He is nowhere to be found

From Mandeville to Slygville, coffin runnin' around,

Upsetting, upsetting, upsetting the town,

Asking for Mr Brown

From Mandeville to Slygville, coffin runnin' around,

Upsetting, upsetting, upsetting the town,

Asking for Mr Brown

I wanna know who (is Mr Brown)?

Is Mr Brown controlled by remote?

O-o-oh, calling duppy conqueror,

I'm the ghost-catcher!

This is your chance, oh big, big Bill bull-bucka,

Take your chance! Prove yourself! Oh, yeah!

Down in parade

People runnin like a masquerade

The police make a raid,

But the - oh, yeah, yeah, yeah, yeah, yeah

The thing get fade

What a thing in town

Crows chauffeur-driven around,

Skankin' as if they had never known

The man they call "Mr Brown";

I can't tell you where he's from now

From Mandeville to Slygville, coffin runnin' around,

Upsetting, upsetting, upsetting the town,

Asking for Mr Brown

From Mandeville to Slygville
