

Bob Marley & The Wailers, All In One (Medley)

This is all in one
And one in all
So swing it
Let's have a ball

Bend down low
Let me tell you what I know now
Bend down low
Let me tell you what I know [what I know, what I know]
Long time we no have no nice time
Do you-do-you-do-ya think about that
Long, long, long, long time we no have no nice time
Do you-do-you-do-ya think about that [ooo]
One love, one heart
Let's get together and feel alright
One love [hear my plea] one heart
Give thanks and praise to the lord
And I'll feel alright
Simmer down
You lickin' too hot so
Simmer down
Soon you'll get dropped so
Simmer down
Man you hear what I say
After he, brakes your heart
Then you'll be sad, so sad
And then your teardrops start
[I say you'll] Then you'll know how
It hurts to be alone
Oh, what a feeling [what a feeling] to be blue
Oh what a feeling, oh what a feeling
[oh what a feeling to be blue]
