Bob Marley & The Wailers, Bad Card

Dem a go tired fe see me face Can't get me out of the race Oh man you said I'm in your place And then you draw bad card A make you draw bad card And then you draw bad card

Propaganda spreading over my name Say you want to bring another life to shame Oh man you just playing a game And then you draw bad card, draw bad card A make you draw bad card, draw bad card A make you draw bad card

I want to disturb my neighbour Cause I'm feeling so right I want to turn up my disco Blow them to full watts tonight In a rub-a-dub style, in a rub-a-dub style In a rub-a-dub style, in a rub-a-dub style

Cause we guarding the palace so majestic Guarding the palace so realistic Them a go tired fe see we face, oh yeah Me say them can't get we out of the race Oh man it's just a big disgrace

The way you draw bad card, draw bad card The way you make wrong moves, make wrong moves The way you draw bad card, draw bad card A make you draw bad card, draw bad card A make you draw bad card In a rub-a-dub style, in a rub-a-dub style
