

# Bob Marley & The Wailers, I'm Hurting Inside

oh-a-w-oh  
when i was just a little child  
(little child)  
happiness was there awhile  
(there awhile)  
and from me, it...  
it slipped one day (ay)  
happiness  
come back I say

cause if you don't come  
i've got to go looking...  
for happiness

well if you don't come  
i've got to go looking...  
god, for happiness... happiness

say that  
say i'm hurting  
(inside) and its no...  
i'm hurting  
i'm hurting  
deep inside

oh good god now

oh hear my cry  
hear my cry  
yeah my my my my my my my cry

been together like school children  
(school children)  
then you hurt me just in vain  
(just in vain)  
oh...  
lord, i'm your little child  
(little child)  
oh  
happiness come back awhile

cause if you don't come  
i'm go'ng a looking  
for happiness  
the road is dangerous

cause if you don't come  
i've got to go looking  
for happiness...happiness

said i'm...  
don't you know i'm...  
i'm hurting, hurting inside

oh i'm hurting

who cares  
who cares

does the one who love  
oh  
feel the pain  
feel the pain

does the one who love  
feel the pain  
feel the pain

(been together)  
been together like school children
