

Bob Marley & The Wailers, No More Trouble

(We don't need) No, we don't need (no more trouble) No more trouble!
(We don't need no more trouble)

(We don't need) We don't need (no more) trouble!
We don't need no trouble!

(We don't need no more trouble)
Make love and not war! 'Cause we don't need no trouble
What we need is love (love)
To guide and protect us on (on)
If you hope good down from above (love)
Help the weak if you are strong now (strong)

We don't need no trouble (Need no trouble)
What we need is love (What we need is love sweet love) Oh, no!
We don't need, we don't need, no more trouble!
Lord knows, we don't need no trouble!

(We don't need) We don't need trouble (no more trouble)
No more trouble, no more trouble!
Speak happiness! (Sad enough without your woes)
Come on, you all, and speak of love (Sad enough without your foes)

We don't need no trouble (We don't need your troubles)
What we need is love now (What we need is love!)
(We don't need) Oh, we don't need no more trouble!
We don't need, no, we don't need no trouble!
We don't (need), no brothers and sisters, (no more trouble!)

They say we don't need another little hungry mouth to feed
But what I would on the double is we don't really need no more trouble!
Let's all be trouble free!
No more troubles to bother me!

What we need is love (love)
To guide and protect us on (on)
Look donw if you are above (above)
Help the weak if you are strong now (strong)
Speak happiness (Sad enough without your woes)
I beg you to speak of love (Sad enough without your foes)

We don't need no trouble, we don't need no trouble!
We don't need no trouble!
What we need is love!

We don't need, no more trouble, we don't need no more trouble!
Troubles, we don't need (we don't need), Lord, knows!
We don't need no more war (no more trouble!)
No more trouble, we don't need no more, more trouble!
